Be Counted for Transylvania County

The Transylvania County 2010 Census Complete Count Committee is asking all local citizens to help get the word out about the upcoming US Census and its importance to Transylvania County. **Census Day is April 1, 2010.** The Complete Count Committee will be conducting a promotional campaign to reach all the residents of the county.

Facts that you might want to share include:

- The US Census questionnaires will be arriving by mail beginning in March.
- It is very important to be counted and especially be counted for Transylvania County as the data collected during this census affects grants and funding for the next ten years.
- There are only 10 questions, fill out your form and return it in the mail.
- Remember that all census data is confidential!
- Census workers will visit households that DO NOT return questionnaires.
- The US Constitution requires a national census once every ten years.
- The census data will show state population counts and determine representation in the US House of Representatives.
- The census determines the distribution of more than \$400 billion annually of government funding for critical community services even right here in Transylvania County.
- Census data also impacts the awarding of private grant monies and guides funding decisions about our schools, hospitals and non-profit organizations.
