

Unsealed by Board of Commissioners 04/13/2015.

**SEALED MINUTES
TRANSYLVANIA COUNTY BOARD OF COMMISSIONERS
November 25, 2013 – CLOSED SESSION**

Closed Session #2

Pursuant to NCGS 143-318.11 (a) (6) potential location and expansion of business or industries, the second closed session was entered into. Present were Chairman Hawkins and Commissioners Chapman, Chappell, Hogsed and Lemel, County Manager Artie Wilson, County Attorney Tony Dalton and Clerk to the Board Trisha Hogan.

The Manager learned today that a local business owner the County has been working with decided to purchase a foreclosed building in Henderson County for the purposes of expanding his business. The business owner has not communicated this with the County. When the purchase of the building is made public, there could be a negative reaction from the public. The Manager briefly discussed some of the work the County has done to help this business owner over the past several months. Once made public, he suggested Commissioners move forward quickly with unsealing the closed session minutes and prepare a press release for the benefit of the public.

Chairman Hawkins moved to leave closed session, seconded by Commissioner Chapman and unanimously carried.

Mike Hawkins, Chair
Transylvania County Board of Commissioners

ATTEST:

Trisha M. Hogan, Clerk to the Board
