Please assist the Transylvania County Board of Commissioners and the Cedar Mountain Small Area Plan Committee to develop a Small Area Plan by taking part in one of their Public Input Sessions. These sessions will allow the public to give feedback on approved sections of the plans, on maps created, and on what would be appropriate future development for the area. This is to insure a transparent planning process.

Please follow the link to watch the virtual session and participants can send feedback after virtual session is over. For people who are interested in the In-Person meetings please contact the Transylvania County Planning Department to sign up.
